## **Madison Area Health Center welcomes new Physician Assistant, Marie Mason**

MADISON – This March, staff at Madison Area Health Center are pleased to welcome Marie Mason, Physician Assistant. Marie brings nine years of experience in family medicine and wound care.

Marie earned her master's degree in Physician Assistant studies from the University of New England in Portland. She has treated patients across Central and Western Maine – providing acute, chronic, and preventative treatments for patients of all ages. Marie has worked in the Madison area before and recently shared, "I am excited to be back and working in the Anson and Madison area again!" Marie is a welcome addition to both the HealthReach team and the greater Madison community.

Marie joins nurse practitioners JoHanna Davis and Jeanne Stokes; licensed clinical social worker Danna Lee; psychiatric mental health nurse practitioner Kelly Bell Bragg; and physician Diane Zavotsky. Our clinicians offer medical and behavioral health services to patients of all ages. Chenoa Jackson, licensed social worker, also serves as our Connector and can assist you in accessing affordable healthcare options and other support services.

Our Madison practice has proudly served area residents and visitors from Madison and surrounding towns since its founding in 1977.

Madison Area Health Center is part of HealthReach Community Health Centers, a group of twelve Federally Qualified Health Centers located across Central and Western Maine. Dedicated clinicians deliver high quality medical and behavioral healthcare to citizens from 9 of Maine's 16 counties. To ensure access for everyone, HealthReach accepts Medicare, MaineCare, and major insurance providers. In addition, an Affordable Care Program is available to both uninsured and underinsured residents. Assistance is available for applications to programs that help with the cost of your healthcare and medications – including the Health Insurance Marketplace.

A private non-profit with a 47-year history, HealthReach is funded by patient fees, grants, and by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$4,815,606, with 82.2% financed by non-governmental sources.
